PLACEMENT REPORT 2023-25

School of Business Management,
NMIMS Bengaluru

About NMIMS, Bengaluru

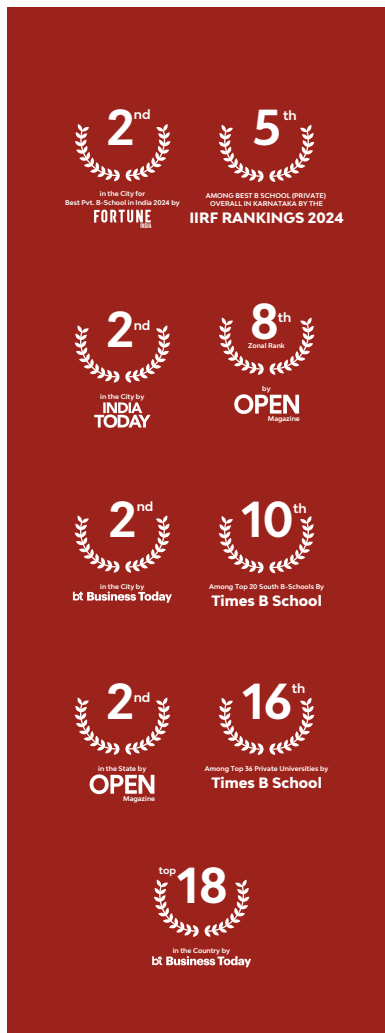

Over its 17 years of existence, NMIMS Bengaluru has established itself as one of India's leading campuses for management education.

MBA Batch 14 students have delivered outstanding performances in the Business Simulation - Capstone Course. It is an incredible achievement that five teams from our MBA program have secured top 3 ranks globally out of 998 participating teams.

This year's placement season was enhanced by an overwhelming response from our loyal and new recruiters. The final placement season saw over 120 corporate recruiters visiting NMIMS Bengaluru, including pre-placement offers from many reputed companies.

Our outstanding faculty, with an aggregate industry experience of over 30 years and many highly proficient in research, have molded our graduates and inculcated all-around skills that have been appreciated by recruiters. Additionally, the social sensitivity imbibed by our students through our 'We Care' program is a differentiator that NMIMS is proud of. The summer internships have played a major role in preparing our students for the corporate world and making them job-ready.

On behalf of NMIMS Bengaluru, we are extremely thankful to the industry and corporate recruiters, alumni, placement team, faculty, and staff for their continuous support in making the 2023-25 placement season a huge success.

Message From The Director

NMIMS Bengaluru has carved a niche for itself in management education, specializing in continuous, adaptive management training to create capable future leaders. Our students are equipped to enter the dynamic business environment with a comprehensive, industry-linked curriculum and a holistic learning environment.

Despite the challenging market scenario this year, NMIMS Bengaluru upheld its standards and achieved great success in placing students from the Class of 2023-2025 for final placements and the Class of 2024-2026 for summer placements.

Our progressive pedagogy has played an important role in preparing students and securing exceptional placements. Our students have demonstrated immense trust in the Institute by being resilient and persistent throughout the placement season.

Congratulations to the Placement Cell of NMIMS Bengaluru for their perseverance and dedication in attaining their goals. We express our gratitude to all the recruiters for their commitment to providing job opportunities and believing in our students.

Director, NMIMS Bengaluru

Message From Deputy Director - Placements

It is with immense pride that I reflect on yet another remarkable year at the NMIMS Bengaluru Placement Office. Since its inception, NMIMS Bengaluru has remained committed to nurturing not just academic excellence but also cultivating the life skills and professional values essential for success in today's dynamic business environment.

This year's placement season stands as a strong testament to the power of industry-academia synergy, our students' preparedness, and the deep trust placed in us by our recruiting partners. Despite cautious market sentiment and global economic headwinds, we have strengthened our corporate relationships and widened our industry footprint.

We are pleased to share a 1.68x increase in the highest CTC offered compared to the previous year, along with 151 final placement offers from the Class of 2023-2025 and over 190 summer internship offers secured by our students from the Class of 2024-2026. These figures reflect not only the caliber of our students but also the confidence and continued commitment of our recruiting partners ranging from established corporates to fast-growing start-ups.

Such milestones are never achieved alone. I'm truly grateful to our

esteemed recruiters both returning and new for placing your trust in our talent. Your continued support plays a crucial role in shaping the careers of our students, and we deeply value this partnership.

A heartfelt thank you to our Student Placement Committee for their tireless efforts. Their dedication, professionalism, and team spirit have been instrumental in ensuring a smooth and successful placement season.

I would also like to acknowledge the unwavering support of our senior leadership, faculty, and administrative teams. Your contributions both strategic and behind the scenes have been vital to this journey.

As we move forward, we remain committed to our mission: to nurture future leaders who are not only capable and well-informed, but also resilient, ethical, and driven by purpose. We look forward to building on this momentum and strengthening our collaborations with industry partners in the time ahead.

BFSI

The banking, financial services, and insurance sector remained a strong pillar of recruitment at NMIMS Bengaluru. Trusted names such as Airtel, CRISIL, Grant Thornton, HDFC Life, ICICI Bank, Marsh, and Wells Fargo reaffirmed their association with us this year. Recruiters presented opportunities in roles spanning across Financial Operations, Structured Finance, Investment Banking, Portfolio Management, and specialist profiles in Taxation and Valuation.

Information Technology & Analytics

In today's business landscape, technology and analytics are not just enablers—they are central to business evolution. At NMIMS Bengaluru, our students were offered roles such as Business Analyst, Associate Consultant, Program Analyst, Domain Consultant, and Pre-Sales Solutions Manager. Top recruiters such as Accenture, Arcesium, Cognizant, Dell Technologies, HCL Tech, HPE, Oracle, and Wipro graced the placement season with their presence.

Participated Recruiters

FMCG & FMCD, Automobile & Ancillary, Retail

Companies such as ITC Limited, JaCaCo (a subsidiary of Jayant Agro), Landmark, Lowe's India, SRK Exports, and VE Commercial Vehicles continued their association with NMIMS Bengaluru, offering a wide array of roles across core business functions. Students secured positions such as Business Management Trainee, Key Accounts Manager, Sales Manager, Marketing Associate, and Assistant Manager – Brands—roles that demanded market insight, strategic thinking, and leadership potential in fast-paced sectors.

Real Estate & Infrastructure Facilities, Food & Beverages, Others

NMIMS Bengaluru's industry-focused pedagogy equips students to take on critical roles across real estate, infrastructure, food and beverages, and allied sectors. This year, international firms such as Cushman & Wakefield, National Biscuit Industries LTD SAOG, and Novara Properties participated in the placement season, reflecting the global relevance of our student cohort.

Roles extended across these sectors included Integrated Facilities Manager, Program Manager, Business Development Executive, Sales & Client Acquisition Officer, and Business Associate.
